Kevane Grant Thornton joins Grant Thornton Advisors multinational platform

Becoming the second Caribbean presence within a growing platform that includes 17 firms.

CHICAGO and SAN JUAN, November 19, 2025 – Grant Thornton Advisors LLC (Grant Thornton Advisors) has extended its footprint by adding Kevane Grant Thornton in Puerto Rico to its multinational platform.

The deal with the Puerto Rican firm will grow the US-headquartered platform to include 17 firms stretching from the Americas across Europe and the Middle East to the Asia-Pacific region. This is the second deal in the Americas for Grant Thornton Advisors this month, alongside Grant Thornton Brazil.

Beyond Brazil, Kevane Grant Thornton will join several additional platform firms located in the Americas. They include fellow Caribbean firm Grant Thornton Cayman — and Florida-based Auxis, a business modernization and outsourcing firm with more than 1,400 team members located primarily in Costa Rica and Colombia. The platform also includes Stax, a leader in commercial due diligence and value creation headquartered in Boston.

Outside of the Americas, the Grant Thornton Advisors platform includes firms in Ireland, France, Spain, the Netherlands, Belgium, Luxembourg, the Channel Islands, Switzerland, Liechtenstein and the United Arab Emirates — with plans underway to add firms in Poland and New Zealand.

Kevane Grant Thornton is a 50-year-old firm with more than 200 team members, making it a leading professional services firm in the Puerto Rico market. It is well aligned with the platform's clients and focus areas in the US, the Caribbean and Latin America, in addition to dovetailing with the platform's capabilities in business-process-optimization.

"Puerto Rico is at the nexus of the US, Caribbean and Latin American markets, making Kevane Grant Thornton an ideal accelerator for our multinational growth," said Jim Peko, CEO of Grant Thornton Advisors LLC & CEO of the Americas. "By adding the firm to our platform, we're deepening our ability to support clients with worldwide talent, regional insights and sophisticated high-quality services. This deal represents yet another powerful growth moment for our platform and for Grant Thornton in Puerto Rico."

"We are extremely proud to join the Grant Thornton Advisors platform, especially as we celebrate our 50th anniversary. This milestone reflects the exceptional talent and dedication of our team and is a testament to our commitment to evolve and grow while contributing meaningful value to the platform. It is a great opportunity for our clients, prospective clients, and employees to benefit from the additional bandwidth and resources. We are very excited about the future and the impact we will have in the Puerto Rico

business community as well as worldwide,” said Carlos Dolagaray, Managing Partner at Kevane Grant Thornton.

The transaction is expected to close later this year. The platform will remain part of the Grant Thornton International Limited network, which comprises member firms in more than 150 markets worldwide.
