About us

Our firm

Established in 1975, Kevane Grant Thornton is the Puerto Rico member firm of Grant Thornton International Ltd since 1984. Throughout the years we have developed an outstanding reputation as a leading professional services firm in Puerto Rico providing audit, tax, advisory and outsourcing services. Our commitment to clients and our high professional standards have enabled us to grow into a full service Certified Public Accounting and Business Advisory firm with more than 190 employees.

Our aim is to help dynamic organizations unlock their potential for growth by providing meaningful, forward looking advice. Proactive teams led by our approachable partners, use insights, experience, and instinct to understand complex issues for clients and help them to find solutions.

At Kevane Grant Thornton we are registered at the PCAOB, and have great experience in delivering services to US and multinational corporations. We provide clients with a wide array of personalized services, tailored to the needs of each individual client.

Our people

Our people have the technical knowledge, experience, skills, resources and commitment of the highest quality and we look forward to growing with your business and leading it to success. Our solid reputation is due, in no small measure, to our well-trained and educated personnel. All team members are required to obtain continuing education course credits on a consistent and ongoing

basis. Currently, over 50% of the professional staff members are CPAs and members of the Puerto Rico State Society of Certified Public Accountants, the American Institute of Certified Public Accountants and other professional organizations.

Our professionals, besides being CPAs and lawyers, some others are also certified as: fraud examiners, internal auditors, internal controls auditors, valuation analysts, hospitality accounting executives, accredited business valuations, insolvency and restructuring accountants, anti-money laundering specialists, and SOX certified professionals.

We will continue investing in our people to grant the highest quality personalized services our clients deserve.

Quality control

Client survey

Client feedback is essential to continuous improvement. At Kevane Grant Thornton, we use a formal process to ask clients for feedback on our services and quality of our relationship.

Peer review

The American Institute of Certified Public Accountants requires all members engaged in the practice of public accounting to participate in mandatory practice monitoring programs (peer reviews) every three years.

This is another example of our commitment to conform to professional standards. To review our most recent report, please visit our website www.granthornton.pr.

Our distinctive client experience sets us apart

“Client satisfaction remains the benchmark of our quality service. We take genuine interest in our clients’ needs and assure you of our high professional standards and responsive services.”

Grant Thornton quality control review

One of the pillars of Grant Thornton's global strategy is to support member firms in their delivery of consistent high quality service worldwide. Quality control of the services provided by the member firms is overseen by worldwide directors of quality control. Under their direction, member firms are provided guidance on the design and implementation of their own quality control systems to support their compliance with all applicable international and local standards through the Grant Thornton Ethics and Quality Control Manual.

Kevane Grant Thornton also participates in the monitoring procedures of Grant Thornton, which reviews the conduct of the audit work performed by member firms. The program evaluates our policies and procedures against the relevant policies and procedures of the international organization, as well as professional standards. It reviews financial statements, audit reports, reports that have been issued, and the pertinent engagement files, in addition to interviewing partners and staff on various matters. This audit services review is performed every three years.

How we work

At Kevane Grant Thornton, we organize ourselves in a way that enables the assigned service provider to be actively involved in the planning and execution of an engagement, maintaining a close professional relationship with each client. We work with our clients to help them achieve their goals, with professional services that add true value.
