

Kevane Grant Thornton appoints new audit partner

Certified Public Accounting firm Kevane Grant Thornton (KGT) announced the appointment of Jorge Eduardo Cañellas as Audit Partner.

Cañellas joins KGT's practice with a solid professional track record in auditing and business consulting within the financial services, FinTEchs and the telecommunications industries of multinational public companies in Latin America and the United States.

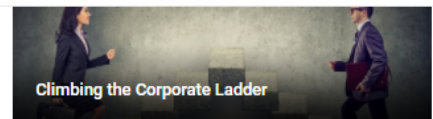

The executive, slated to join the firm effective Dec. 14, brings more than 15 years of experience and training in managing specialized financial services matters and accounting consulting under IFRS and US GAAP, leading financial statement and internal control audits under PCAOB standards, and in the execution of capital markets transactions.

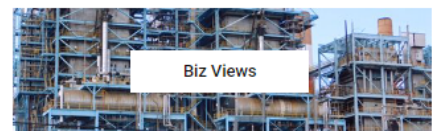

Jorge E. Cañellas

Jorge E. Cañellas is Certified Public Accountant licensed to practice in Puerto Rico and the State of New York. He earned a Master of Science in Accounting as well as an undergraduate degree from Boston College in Massachusetts.

He is also a member of the American Institute of Certified Public Accountants (AICPA). Prior to his return to the island, Cañellas worked at EY Mexico and New York and as part of his professional expertise, the executive has advised multiple global public companies, such as commercial and investment banks, stock exchanges, payment processors, and telecommunication companies, among other business sectors.
