Annual payroll statement - next due date

The Annual Payroll Statement (Form FSE 693) must be filed with the CFSE on or before July 20, 2019. The same must show the number of employees, occupation or industry classification and the respective total amount of wages paid during the immediately preceding fiscal year ended June 30.

Employers start receiving the Annual Payroll Statement by mail during the month of May. Also, the statement can be completed and filed through the CFSE internet portal. Please note that tax payments are due regardless of this website's availability.

Filing requirements

Employers must provide with the Payroll Statement **one of the following documents**:

- Quarterly Unemployment & Disability Insurance Tax Report submitted to the Department of Labor for the quarters of September 2018, December 2018, March 2019 and June 2019.
- Employer's Quarterly Return of Income Tax Withheld for the quarters of September 2018, December 2018, March 2019 and June 2019.
- Employer's Quarterly Federal Tax Return (Form 941) for the quarters of September 2018, December 2018, March 2019 and June 2019

If the employer submits the Payroll Statement using the CFSE Internet Portal, will have access to upload the required documents. If the information requested is not provided, the employer recognizes and accepts that the CFSE could make the necessary arrangements to obtain the information and make any premium adjustments.

These requirements do not apply to employers whose policies only cover domestic activities, nor employers that only qualify as the self-employers.
